Exam Prep

Multiple choice, short answer, essay, or problem-solving – which exam type is your personal nemesis? Whatever the format, midterms or finals, if you could use some help in preparing for exams, then this workshop is for you!

Study Secrets

This workshop, offered only at the beginning of term, provides a sampling of key study strategies for improving academic achievement and confidence, along with an introduction to our workshop topics. Which learning skills do you most need, to succeed at university? Take this workshop and find out!

Time Management

Where does the time go? Are you having trouble balancing school, work, and life? How much study time is enough? Learn practical, personalized approaches to managing your time that work for you.
